Foreword

Between these two covers lies the many hidden images and mirror-like pictures of four years of our lives. We have tried to capture the numerous memories and to retain the joys and sorrows as they occurred. The various plans and activities have been cherished over these four years and are now compiled into this, our *Hiltorial*.

In Memoriam

Mr. Weldon Spross

He took us down the Mississippi with Huck Finn and through the forests and fields with Evangeline. He taught us how to write creatively and to diagram correctly. He coached the JV baseball team and drew "Peanuts." Life was always "intriguing" to him and he touched us, like he had hoped, with his creed for individualism.

But then, Mr. Spross died 'and the sun was pasted in the sky like a red wafer."

We Dedicate to You . . .

Mr. Lucie, it is hard to express how we feel about you in just a few sentences. You have given to some of us the happiest summers of our lives. You have worked hard, helping to form us into young men and women. We together have attained many goals that at one time seemed insurmountable.

We have laughed with you, "Uncle Chuck," and we have shared disappointments. Many times, some of us have made trips to your house, marching once to show our devotion and loyalty to you.

You have helped to make H.C.S. a school to be proud of. For these reasons, we, the class of 1967 dedicate our *Hiltorial* to you.

Mr. Lucie plays his favorite record.

"Young man with a horn."

SENIORS

Ah, the lackadaisical air and the whimsical feeling . . . the fanciful and magic-like moods of our past four years are rapidly transforming into shadows and memories. We will soon leave the halls of HCS, only to return as outsiders, never again to possess this carefree feeling or to know this precious freedom.

Fernando Leite Visits Us from Brazil

I live near the beach in Rio de Janeiro, and usually every morning I go swimming in Ipanema Beach. My father has a summerhouse in Teresopolis, which is about 200 miles away from my home in Rio.

I am in the last year in school, and I will go to college next year. The school system in Brazil is very different than here. I only have five classes and don't have lunch in school. There aren't girls in our school building. Everything in Brazil is different than it is here, the food, the girls, the school, and many other things. It was difficult for me to get used to the American food, but I am enjoying it now. I like the country very much and would like to come back after college.

I have two sisters, Elizabeth 16 and Gilda 11. They are in school and in two years, Elizabeth will go to college.

When I first came here, I liked the snow very much, because it was the first time I saw it. When somebody in Brazil said, "You are going to the United States of America," everybody talked about it because every Brazilian would like to come here someday. I like the American people very much for they are a good, friendly people, and because I don't speak English very well, everybody tries to understand me and talk with me.

Entering these halls as somewhat tired and wary freshmen was the Class of '67. We had enthusiasm, though, and under the leadership of our president, Ed Walters; vice-president, Janet Burton; treasurer, Sue Williams; and secretary, Bonnie Jones, we withstood the slight but frequent ribbing that freshmen are so often subjected to. On Class Day, our Frosh Frolic, "Harbor Lights," was a success and so, with money in our treasury and a little more confidence, we moved up to our sophomore year.

Freshman and Sophomore Years Prove Challenging and Rewarding

Les receives class colors.

No longer the youngest members of Hilton High, we entered in the fall of '64, looking forward to our first project, the Sophomore Dance. "Sleepy Hollow" served as the theme and again we presented an enjoyable evening of entertainment. Our officers that year were Todd Lane, president; Janet Burton, vice-president; Sue Williams, treasurer; and Bonnie Jones, secretary. With the arrival of Class Day, we moved up to become juniors, ready to enter the following year with Les Ryan as our junior class president.

Year

Our Junior Year was a very successful one, highlighted by various class activities and events.

In the fall, our first dramatic presentation—"The Bad Seed" was staged in our school auditorium.

Also, in autumn, we officially became upperclassmen when we received our class rings. We can all remember gazing at our hands all day long and comparing the colors and sizes . . . each thinking inside that his was the best.

Lastly, in the spring, our Junior Prom—"Moonlight Enchantment" was held. Our memories will recall all the hours we spent together making the crepe-paper flowers and decorating the gym.

As our junior year came to an end we anxiously awaited the day when we would enter the auditorium, calling it our "Senior Homeroom".

Year

That long awaited year had finally arrived. The titles, Class of '67 and Seniors, were now synonymous. Striving to reach our financial goal, we eagerly underwent our first major project, the sale of magazines. The results were record breaking and our Senior Ball was next on the agenda.

For weeks we planned and prepared decorations for the Ball. Our efforts were rewarded as we entered a wonderland of blue and silver on the night of the Ball. "Silhouettes in Silver" was our theme and Carl Dengler provided the orchestral strains, a final touch to the memorable evening. For the first time at a Senior Ball there was a full court, with a Prince and Princess in addition to the traditional King and Queen.

With March came rehearsals for the Senior Play, "Dear Ruth." Cast, student directors, and stage hands all worked together under the direction of Mr. Schreppel to make the comedy production a success.

Spring brought the ordering of announcements, fitting of caps and gowns, and all the other necessities involved with the preparation of our departure from H.C.S. On June 25, we would take that final step. With a mixture of smiles and tears, we would watch an important segment of our lives fade into memories and an equally important part open before us.

Hilton Welcomes Ivonne

I am very glad to write these lines for the Yearbook 1967. To be an AFS exchange student in some place of the world is a wonderful experience and I take with me very agreeable impressions of here.

I have learned many things about North America and American people. Now I want to introduce you to my Ecuadorian family.

We live in Quito, the capital of the Republic of Ecuador, and form a Roman Catholic family of seven. Mercedes Jarrin de Montano is my mother's name. She is a housewife. My father, Hugo Montano is a civil engineer. I have two sisters, Yolanda, sixteen years old and a junior, and Monica, twelve years old and in eighth grade. Alberto, fourteen years old, who is a sophomore, and Hugo, eleven years old, who is in sixth grade, are the boys of the family.

I am the oldest in my family. My age is seventeen. I am graduated from a Spanish school in Quito, Ecuador.

I have enjoyed my visit in America and I wish that everyone here could come to visit my country, Ecuador.

Sue Spends Summer in Sweden

This past summer, I had the opportunity to live eight weeks in Stockholm, Sweden, as the adopted daughter of the Ragnar Hedstrom family. My family consisted of my father, Ragnar, who worked at a milk company; my mother, Ester, a secretary at the Telegraph Company; my brother, Carl Göran, 20, a mechanical engineering student; and my sister, Gunilla, 17, also a student.

Unforgettable memories filled each day as I grew to know and understand so many new people. I soon learned that even though customs and beliefs vary among people, basically we are all alike. Probably the most valuable lesson I learned is that America is not the only country in the world. It's surprising how your opinions change when you look through the eyes of foreigners.

As the summer drew to a close, I knew my stay with the Hedströms was ending, but not forever. As I boarded the train to leave, my father told me that the doors of their home would always be open to me, and I made a promise to them and myself that someday I would return.

Thank you Hedstroms and Sweden for a wonderful and unforgettable summer.

Steve Goes to Germany

The past summer I was honored to be an exchange student to Hamburg, Germany. My trip was full of new and exciting experiences and I know I'll cherish the memories of it for the rest of my life. It seemed like a dream before I left, and in some ways it still seems that way now.

Hamburg is a large, modern city. The people take life as it comes and they take pride in the little things of life. This is exemplified in the many parks and beautiful flowers which adorn every corner of the city. There are many things to see, do, and learn and I gained much from my experiences.

The most wonderful thing about my trip was the family with whom I stayed. During those two short months, I grew to love them as my own. As a result, I now have a family and home in another country. As I prepared to leave and my family said there would always be a place for me in Hamburg, my feelings could only be expressed in the words of my German father, "We die a little with each parting." And so my wish is that I may someday return to that new found life. But for now, I can only hope and cherish the memories of my summer in Deutschland!

Gayle Visits Finland

"To promote better understanding" is the main objective of all foreign exchange programs. With this thought, I went abroad to the country of Finland for two months. During these two months, I was faced with a different culture; a different life.

Living with a Finnish family, I was subjected to different customs and problems in which learning and understanding became my motto. Traveling through the country itself, I found that the Finns have a pride, that seems in-born, in the beauty of their country's lakes, trees, and islands.

I also had the opportunity to visit Russia for four days. The beautiful museums, monuments, and palaces were thrilling to visit. The people were pitiful, realizing that their life was only there.

I hope my many thoughts and traveling experiences have helped me to promote better understanding and to gain more understanding myself.

Nancy's adopted family.

Germany Hosts Nancy

It was fabulous! This is the answer I give whenever anyone asks me how my summer in Germany was. But fabulous is a word just too small to describe everything I experienced.

My greatest experience was being able to have a second family, the Gallasch's. The family included my Mutter, Vater, and sisters, Renate and Eva. We lived in a small city called Gottingen in central Germany, about ten miles from the East German border.

The Gallasch's gave to me what will probably be the most wonderful summer of my entire life. With them I learned to understand the German people and I hope I helped them to understand something about the American people--at least the teenagers.

My family took me to many beautiful parts of Germany and I met many wonderful people. I also went into East Germany and this awakened me to another way of life. I wish I could thank enough, the Gallasch's and all the people who made it possible for me to be an exchange student and obtain these experiences.

Someday I will return to Gottingen, how or when I don't know, and I will go back to the apartment at 19 Ludwig Beck Strasse, ring the doorbell and say hello once again to my beloved German family.

FACULTY and ADMINISTRATION

Over the years we have come to know you well. We thank each of you for your patience, guidance, and understanding. Some of you have influenced us in many ways. Yes, it seems odd that you will not be a part of our everyday lives anymore.

Mr. Lewis Markham, Mrs. Betty Vary, Mr. Howard Smith.

Administration

Mrs. Carter, Mrs. Seeger, Mrs. Nicloy.

In the Administration offices, we find Mr. Lewis Markham, Mr. Howard Smith, and Mrs. Betty Vary. They are in charge of various aspects of management concerning our school.

Mr. Markham is the executive principal. He carries out the policies of the board and directs the hiring of faculty, and also supervises the management of our school system.

Mr. Smith came as a new member of the administration last year. He is the Assistant Executive Principal and is responsible to Mr. Markham.

Mrs. Vary is Curriculum Director, and is in charge of the curriculum from grades kindergarten through twelve.

The Board of Education is concerned with the personnel, budget, facilities and maintenance of our school system. They are constantly striving to make Hilton Central school a more efficient and prosperous institution of learning.

The Board itself is composed of seven members. It meets twice a month. At this time the elected Board members discuss the issues and make decisions which they feel represent the community.

Principal -- Vice Principal

Mr. Wayne Furness is responsible to Mr. Markham in administering the high school. Working to improve Hilton in every way, Mr. Furness is in charge of faculty and students alike. His duties are many and his responsibilities are great.

In his first year at Hilton High is Mr. Harold Chapman, our vice principal. Serving as the assistant to the principal, Mr. Chapman punishes us when we step out of line, helps organize the social calendar, and concerns himself with all other problems that arise in the administration of a high school.

Seated: Mr. Ayers, Mrs. McCarroll. Standing: Mrs. Blum, Mrs. Schmitt, Mrs. Burger.

Main Office and Guidance Secretaries

Mrs. McCarroll gives assistance to Alan.

The Main-Office secretaries complete the many necessary secretarial duties that are needed by the Administration. They issue bulletins, operate the switchboard, and take care of bookkeeping.

The Guidance secretaries perform many tasks concerning the work of the Guidance Department. They complete transcripts, make appointments, and aid students with some of their scheduling problems.

Presenting the Juniors . . .

When the junior class colors were handed down to our officers, the class of 1968 realized we were now really upper classmen; and in October we received our class rings which were the final proof of our moving up.

The junior class carried on many activities, some of which were the parliamentary procedure contest, the junior play, refreshment sales at the basketball games, and the Junior Prom. Participation was spread throughout the class with members active in clubs, Student Council, and sports, adding the '68 zest to general school spirit. It is safe to say this is the class where the action is.

Class activities were carried on with the advice and guidance of our advisors, Mrs. (Aunt) Rowley, Mrs. Bailey and Mr. Shumanski.

Presenting the Sophomores . . .

The class of '69 is made up of many different types of people, all different shapes and sizes, with various modes of dress, along with changing attitudes and personalities.

Our main goal is to become unified. We have worked together on our Sophomore Dance and we have planned many things for the future.

The class of '69 is a hard-working and industrious class and I'm proud to be their president.

Presenting the Freshmen . . .

The Class of '70 is the largest class yet to roam the halls of Hilton Central.

We have been told that we will gain experience as we go along, but we must search for it; this in itself can be a difficult problem. In our search for experience we have joined clubs such as B Band (which is about 75% freshmen) and a few talented musicians made A Band. Sports always draws a large number of proficient frosh. Other clubs are also plagued by freshmen presence. Trying to make an impression on upperclassmen and unity among students are our main goals for the year.

The quest for experience is a battle which we must fight on our own. By the time 1970 comes around the experience will be ours to give or retain.

. . . And so these familiar faces of Hilton will remain with us through these preceding pages, and we will always remember them from their various activities and sports, which follow.

ACTIVITIES

Decorating for dances, going on trips, and seeing movies are part of the numerous club activities at Hilton. Participation is full force and the spirit created by these organizations makes school just a little bit lighter and more enjoyable. All members, from those in Health Careers Club to those in National Honor Society, have a feeling of togetherness and a sense of belonging to H.C.S.

Marching

"And first in the state is Hilton!" The judge spoke loudly. But because of scoring errors, Hilton placed second in the state competition. This event ended the fourth summer of parades, carnivals, and excitement for the H.C.S. marching band. Under the direction of Charles E. Lucie, the band has gone far in its short life.

The band traveled to Montreal in May to perform at the Expo '67. They have won several first prizes in local parades and the spirit of the band is high. When August rolls around this year, Hilton is going to fight harder than ever for the coveted Governor's trophy.

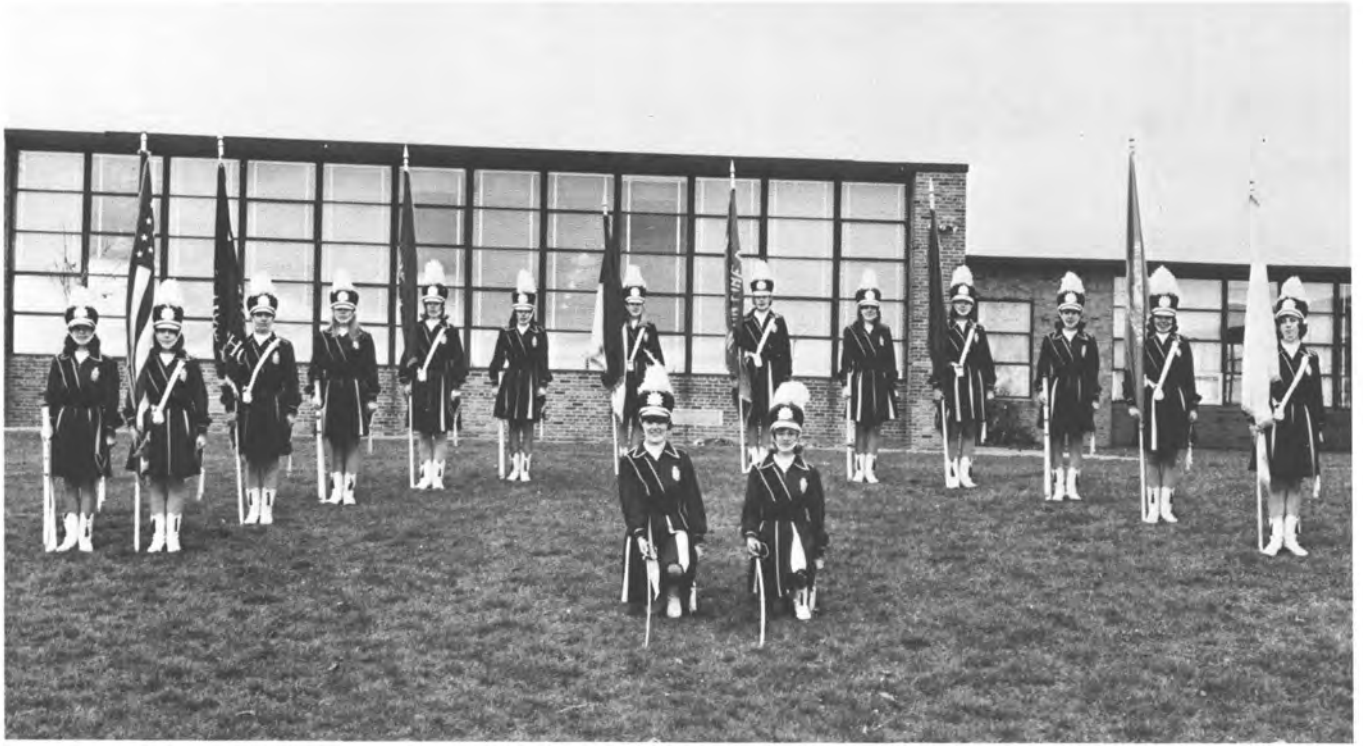

Band

Also, with the help of Mr. Hibbard, the colorguard, with captain Nancy Weissend and co-captain Linda Weber, is hoping for many honors in competitions.

Majorette captain Gayle Malak and co-captain Jeanne Martin have been drilling the ten member baton corp, viewing the parade prizes optimistically. This will also be the second year for the drill team with captain, Lynn Richardson. The drill team is a training group for future majorettes.

This year's new drum majorettes are Wanda Germeroth and Kim Lacy. They have been under private instruction and have high hopes for prizes this year.

The marching band is a large unit with much time and energy being put in it by all. Let's get out and win that trophy in August!!

Student Council

Seated: S. Newton. Standing: K. Lacy, W. Germeroth, N. Weissend.

The Student Council is the legislative body of student government. Once each week its representatives assemble to discuss and take action on school problems so that Hilton can be improved.

This year the Student Council rallied to a start with the purchase of outdoor bleachers and an athletic bulletin board. A computer dance was held and again this year student activity cards were sold. The following year's assemblies were planned and scheduled and International Day was held. To contribute toward the cost of the foreign exchange program the council staged the annual International Day dance.

Throughout the year many other items were discussed. The Student Council functions under the able guidance of Mr. Burns, its advisor.

"Siftings" 1967, headed by a new advisor, Mrs. Lord, with co-editors Tim Johnson and Gayle Malak, made its debut in May. Everything from ballads and short stories to paintings and sketches were judged in a type of contest, and the best were published in H.C.S.'s literary magazine, "Siftings."

The *Crimson Crier*, voice of Hilton students, with editor Cyndy Cole and advisor Mrs. Katherine Smith, has boomed ahead in the field of newsmaking. A journalism class was newly formed this year and, with the extra help, the *Crier* was able to contain eight pages of newsworthy items. The *Crier* tied for first place in the *Democrat and Chronicle* high school newspaper contest.

Junior Rotarians

The Junior Rotarians are selected each year from the Junior and Senior classes by the Student Council as prospective community leaders. Each boy attends Rotary meetings for a period of one month, with meetings being

held every Thursday. At the end of the year, the Junior Rotarians run a meeting and provide entertainment. It is quite an honor to be able to represent one's school as a Junior Rotarian.

SPORTS

From the first cross country meet to the last baseball game, the spirit of the Hilton teams and spectators has been strong! The halls of Hilton have been decorated with signs of glory and revenge and the topic of every social circle has been the latest game or meet. Through resounding victories and heart-breaking losses we've kept our enthusiasm, proud to know that our athletes have played fairly and to the best of their ability.

In the following pages is the story of this past year's sports activities, the players, and their records. We've attempted to give a complete view lest we forget who has given us a record to be proud of.

J. Davis, N. Custer, D. Hackett, R. Morris, D. Manchester, S. Dwyer, T. Johnson.

Varsity Cross Country

Dave Manchester, Scott Dwyer, Captains; Mr. Robinson, Coach.

This year, Mr. Robinson coached the "Hilton Appleseeds" to another Section 5 Class B championship. The team ran for the second year in Class A competition, performing an outstanding league record of 8-1. This gave the team an overall league record of 33 wins and only 2 losses within the last four and a half years. Running first for the Appleseeds this year was Senior, Dave Manchester, followed by Scott Dwyer, Tim Johnson, Dennis Hackett, Neil Custer, Ron Morris, and Jeff Davis. Congratulations go out to the team for a fine performance.

JV Cross Country

The JV Cross Country team also had a good season with a league record of 3-2. Running first for them was Dave Henning, followed close behind by Chuck Ritter and Mike Igoe. Mr. Robinson is looking forward to another successful season for them next year.

JV Soccer

JV's take on Varsity in a scrimmage.

With Mr. Karnischky as their new coach, the Junior Varsity Soccer team ended its season with two wins, six losses, and two ties. The team worked together well and put forth a good team effort in games. Outstanding players on the team were Jim McKechney, Paul Madigan, Eric Rodger, Rick Sweeting, and in the goal, Steve Durrant.

Kneeling: B. Bartholomew, L. Bronson, S. Gardner, G. Harris, H. Tripp, C. Ingham, D. McMurdy, B. Bates. *Standing:* S. Frisby, J. Huff, T. Strauss, R. Floyd, D. MacWilliams, D. Sanger, S. Cole, S.

Varsity Soccer

Dave Johns, Nick Visser, Captains; Mr. Buck, Coach.

In the 1966 soccer season, the varsity team hustled to a winning record of 7 wins, 2 losses, and 2 ties under new head coach, Jim Buck. Although entering a new and tougher AB league, the Cadets proved to be a top contender as they finished second under Gates Chili. They went to the sectionals, representing the B schools, and lost to Wayland in the quarterfinal round.

With our experienced and hard working players, a successful season was accomplished.

Varsity Wrestling

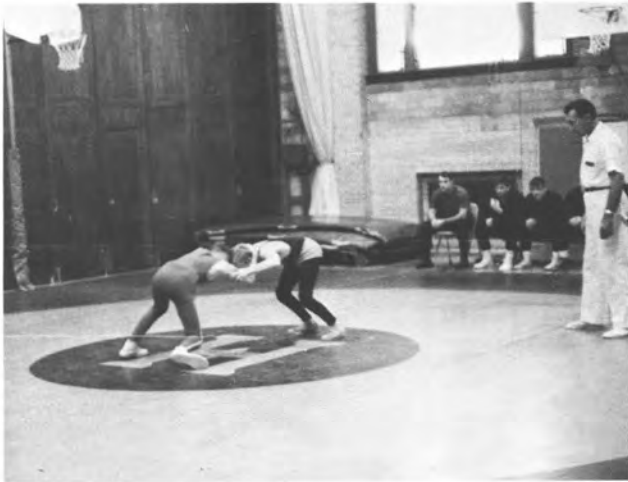

Mr. Krotz, Coach; Dave Yockel, Bruce Bevins, Co-Captains.

This year's Varsity Wrestling team, coached by Mr. Krotz, was in a very strong A-AA league. The team worked to better its record from last year under the leadership of co-captains Bruce Bevins and Dave Yockel. Bruce and Dave had good seasons, as they tied for the school record of ten pins and both placed fourth in the county wrestling tournament. Steve Gardner also did a fine job in the tournament, placing second. With the advantage of more experience than any past Varsity Wrestling team at Hilton, the team had a very successful season.

JV Wrestling

Doug and George demonstrate a hold.

This year's Junior Varsity wrestling team, under the supervision of Mr. Ward Wolfe, was fortunate enough to be able to compete in 12 matches.

Leading the team, was George Boyd with 9 total wins.

Returning for their second year were Dennis Miller and Douglas Metzger. Doug won about $\frac{1}{2}$ of his matches and Dennis, $\frac{1}{4}$. Both boys also wrestled varsity several times.

Our JV grapplers should be commended for a fine team effort.

JV Basketball

Players struggle for rebound.

This year's Junior Varsity basketball team, coached by Mr. Dzwigal, was loaded with Varsity prospects. Sophomores in this year's squad were Bill Bates, Roger Roach, Lee Radford, Eric Rodger, Howard Tripp, Don MacWilliams, Paul Madigan, Tom Waz, Doug Hazen, and Tom Ophardt. Steve McCluski, Nelson Miner, and Rick Sweeting were the freshmen on the team.

B. Bartholomew, D. Johns, P. Blodgett, A. Trimmer, R. Staples, M. Duell, L. Ryan, B. Lasch, K. Damann, S. Durrant, G. Harris, Mr. Vanderbush, Coach.

Varsity Basketball

K. Damann, Captain; Mr. Vanderbush, Coach.

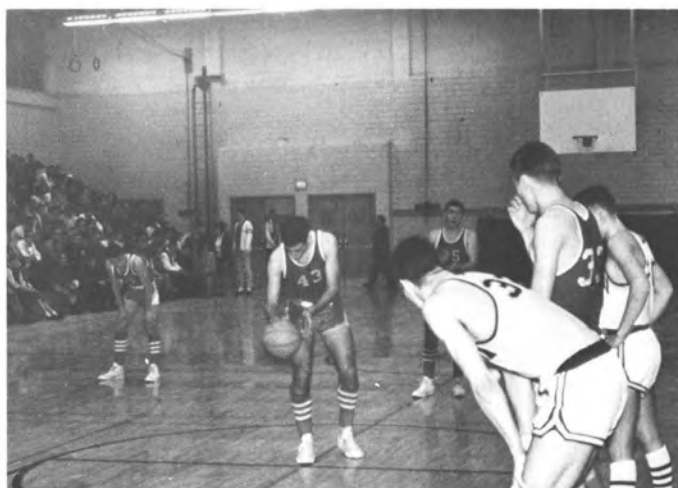

This year's defending Section 5-Class A champs repeated another fine performance, as they had last year. Playing in a new, stronger A-AA league, the Cadets found the competition somewhat tougher. With skill and good teamwork, however, they had several wins and again went to the sectionals.

The team was coached by Walt Vanderbush who had seniors Dave Johns, Ralph Staples, Kev Damann, Les Ryan, and Al Trimmer back from last year's squad. Juniors George Harris, Brad Lasch, Paul Blodgett, "Buddy" Bartholomew, and Mike Duell helped share the limelight with last year's repeaters. Another member of the squad, who adds hope for the future, as well as rounding out the team is sophomore Steve Durrant.

Freshman Basketball

Up for the rebound!

The Freshman basketball team, coached by Mr. Tolhurst, did not have a very successful season due to the lack of participation. However, Jim McKechney and Jerry Eichas proved to be upcoming players. Mr. Tolhurst hopes for a successful season next year.

Under the guidance of Mr. Younker, the varsity and junior varsity cheerleaders did a fine job of contributing enthusiasm, good sportsmanship and support for our much in the spotlight soccer and basketball teams.

Both squads worked together to sponsor the first dance of the school year. With the profits, the girls bought winter jackets and letters with each girl's name on them for their sweaters. The cheerleaders also put on successful pep assemblies throughout the year.

'66 Tennis

George is ready for tennis practice.

Last year's tennis team had a very successful season, coming in third in their division. Ralph Roach, who came in fourth in the sectionals, was a great benefit to the squad and added greatly to their victories. Coach Krotz is expecting this year to be brighter, as many of last year's members will be returning.

Varsity Baseball '66

Last year's varsity baseball team had strong no-hit pitching from Mike Durrant and strong bat power from Dick Van Hook, Ron Stevens, Dave Johns, and Ralph Staples. Gary Smith did a fine job behind the plate. With the men returning from last year, and with the up-and-coming JV players, Hilton has hope for a successful season this year.

Track '66

Dave and Scott prepare for a vigorous workout.

Despite the efforts of the track team of 1966, it ended it's season with an 0-9 record. The running events were strong, especially the mile relay team. This team, which consisted of Paul Kumpf, Lee Oldfield, Bob Blodgett, and Ron Morris, set a school record of 3 min. 47.9 sec. Lee Oldfield also set a school record in the hop-step and jump of 39 ft. 11 $\frac{3}{4}$ in.

This coming year we all have high hopes for a better season.

Memories

The school year 66-67 has brought more than just another set of names to the school records and a few added trophies to the show cases. Each and every student at H.C.S. has gained a host of experiences that have now become a part of that intangible past.

The senior and junior plays, sports events, the activities of the various clubs, classroom work—all these and many more will in years to come be wistful memories. The studying and homework assignments so often detested will, in retrospect, become a necessary and fascinating part of our education. Our high school peers will hold a warm place in our hearts and the social life during and after school hours will be remembered with nostalgia.

With the passing years, however, memories can fade. We, the class of '67, want this school year to always be vivid in your minds. Lest we forget, we offer the *Hiltorial* to preserve our memories of this wonderful year.

Mr. Mabie, Mr. Walker.

We Extend Our Many Thanks

Mrs. Manly

We wish to extend our deepest appreciation to Mr. Mabie. As our Hiltorial advisor, he gave willingly of his time and effort. His understanding and patience guided this yearbook to its successful completion.

Much credit goes to Mr. Walker for his photography and many helpful suggestions.

Many thanks to our staff, who have devoted long and hard hours, working to make this yearbook mirror our memories.

Special thanks to the administration, faculty and students. Your cooperation while we took pictures and interrupted varied classes and activities make us grateful to you. Without you, the Hiltorial 1967 would not have been possible.

The Class of 1967 would like to take this opportunity to express our gratitude to Mrs. Manly (Miss Allen) for her experienced advice as our guidance counselor. She has helped to direct our lives in the best interests of our futures.

That's how Lissa saves on the price of meat.
